MESSAGE BY

BADER ALSAEED
Executive President

Since the Establishment of Flora Group We focused on four major success methods: Partnering with world class market leading suppliers with high quality solutions in all fields, connect with our clients and provide them with the best pre-sale and after sale services, always developing and adapting to the market changes, and rely on the best qualified staff. We look forward to provide the best solutions to help prepare Qatar for the world cup 2022, as well as to realize Qatar vision 2030.

ABOUT US

Founded in 1993, Flora Group has grown to become a group of leading Qatari specialized trading and service companies that offer a large and diversified pool of products and end-to-end custom solutions to its customers in Qatar and the middleeast region. Since its creation, the group focused on offering top quality products and services that have made its reputation and ensured customer satisfaction and group success for more than 22 years. We strive to preserve a high level of business ethics characterized by integrity and honesty in all our business actions and throughout all our companies.

Apart from its core industries, Flora Group also monitors oppounities in different sectors, where it has a potential to create value with its unique know-how and experience.

For more than 22 years we have built a strong and loyal client base across both the public and private sectors and we will continue to innovate and expand for the continuous satisfaction of our existing and future clients.

FLORA GROUP'S BUSINESS DOMAINS SPAN A RANGE OF 8 CORE INDUSTRIES:

1. Technology and services
